

A few good reasons . . .

- 1) **Tradition** – Join the thousands of Hilltopper alumni, friends, and parents who have supported the school through the years. Together, we make a difference for today's students.
- 2) **To honor a teacher or program** – You know who and what made a difference for you at this school. Help us keep those opportunities available for others.
- 3) **Class Size** – The individualized attention that our faculty offers is a great way to learn and to build friendships.
- 4) **School Spirit!** – Our young Hilltoppers have done great at sectional and state competitions. It's not just Hockey that we celebrate. Academic and co-curricular teams bring accolades to the school.
- 5) **Participation** – Our gifts help open doors to even greater resources from those with deep pockets who need to know that alumni and parents believe in their alma mater!
- 6) **Keep the place running** – The average cost of running the school is \$10.18 a minute, 24/7. It takes a lot of work and generosity for the school to do what it does.
- 7) **Effectiveness** – It would take an additional \$8 million in the endowment to equal what Annual Fund gifts provide to our students and faculty each year.
- 8) **Taxes** – Your gift is tax-deductible. We know it's a boring reason, but it's true!
- 9) **Heart & Soul** – From classroom to library, from stage to field, from Chapel to community, the Hilltopper experience includes opportunities for personal and spiritual growth.
- 10) **We're asking** – We want you to know that your gift is needed and will be greatly appreciated.

*Thank you for considering a donation to
Marshall School's Annual Fund.*
