

Become a Volunteer KidSki Ski Coach

- Help pass on your love of cross-country skiing to kids aged 4-12.
- Choose what age level kids you'd like to work with AND who you'd like to coach with (We'll have about 3 coaches for every 10 kids)
- KidSki curriculum booklet is provided and full of ideas on how to teach basic skiing skills in a fun, game-based way.
- You don't have to be a super-star skier to coach, especially with the 4 & 5 year olds (knowing how to play Duck, Duck, Goose and Red Light-Green Light is a plus, however).
- This is a great experience in leadership and will look fabulous on your resume. I'll be happy to write any letters of recommendation.
- **WARNING:** the kids will adore you and think you are really cool!

This year every KidSki Coach will receive:

- A KidSki water bottle
- A KidSki t-shirt
- A special gift at the end of the season
- Respect, admiration and appreciation from all the KidSki families

KidSki meets Sunday afternoons for 8 weeks starting Dec 11th (no class Dec 25 or Jan 1).

Coaches arrive by 1:45, class runs 2:00-3:30pm.

Coaches training session (pizza-feed) will be held week prior to our 1st KidSki session, time TBA.
