

TOPPER CAMPS

9AM - 3:30PM WITH OPTIONS FOR EXTENDED DAY PROGRAM

COST: \$190

FOR KIDS ENTERING GRADES 3-5!

TOPPER AVIATION CAMP / JUNE 16-20

This is your pilot speaking! You'll make a model hot-air balloon and a glider. You'll launch rockets and take the wheel in a computerized flight simulator. You'll even go on field trips and learn everything that makes flight possible.

TOPPER SCIENCE CAMP / JUNE 23-27

Super popular with mad scientists everywhere, this class lets you do real experiments in physics, biology, chemistry and geology. Sign up soon, 'cuz this one fills up with big brains early!

TOPPER LANGUAGES CAMP / JULY 7-11

Your parents won't know what you're talking about! Learn to play games and count in five languages in five days! Plus, you'll prepare special foods for a Festival of Cultures, and you'll create and send postcards to your friends (without leaving town!).

DIGITAL CAMP / JULY 14-18

Lights, camera, you! Find out how to tell a story with pictures and music. Record video, take photographs, create sounds and make your own movie masterpiece—then show it at the film festival at the end of the week.

FOR KIDS ENTERING GRADES 6-8!

ENGINEERING CAMP / JUNE 23-27

Find out the way things work. Explore green energy. Design your own bridge. Build your own launcher or wacky machine. Spend time programming a robot to do exactly what you want.

FOR KIDS ENTERING GRADES 7-8!

LEADERSHIP CAMP / JUNE 16-20

Want to be a leader? We'll teach you how! You'll have to challenge yourself on a ropes course and through a community service project. Be prepared to think hard and open your eyes to your potential to help others. You need to complete the separate application available on our website. The program is limited to 15 energetic participants.

SUMMER ENRICHMENT CLASSES FOR KIDS ENTERING GRADES 6-8!

HALF-DAY
9AM - NOON or 1 - 4PM

COST: \$95

DIGITAL PHOTOGRAPHY / JUNE 16-20 (AM)

You're in control of the camera, and you'll learn the skills of a photojournalist and digital photographer. And after taking great photos, you'll find out how to creatively edit them on the computer.

COMPUTER GAME DESIGN / JUNE 16-20 (PM)

Discover the techno-tricks that bring your favorite 3D games to life. In this class, you'll use the StarLogo TNG platform to create, plan, program and play your very own 3D simulations and games. Sign up soon—this one is sure to be swamped!

new!

BIKING / JUNE 16-20 (PM)

Find your inner Lance Armstrong. Explore a different trail everyday. Learn the maintenance techniques that will keep your bike performing its best. You'll have to bring your own mountain bike.

new!

ART LAB / JUNE 23-27 (AM)

Don't just watch cartoons this summer - learn how to create your own. The art lab will give you the chance to make your own masterpieces. Each day will focus on a new medium and technique.

new!

DRAMA - STAGECRAFT / JUNE 23-27 (PM)

Learn the inner secrets of putting on a play. Be a new character and bring a story to life. Build realistic props. This could be the start of your academy award winning career!

COOKING LAB / JULY 7-11 (AM)

This isn't just cooking, this is kitchen science! And you'll learn the basics of what it takes to make healthy and tasty creations.

new!

MANDARIN / JULY 7-11 & JULY 14-18 (AM)

Immerse yourself in the culture and language of China. Experience history, make food and try tai chi all while learning the Mandarin language.

MATH LAB FOR 5TH & 6TH GRADES JULY 7-11 (AM & PM)

Sharpen your mathematic abilities by working in small groups on big ideas.

9 am - noon: review 1-4 pm: enrichment

THE ANCIENT WORLD / JULY 7-11 (PM)

Take a trip through ancient Egypt, Greece and Rome. Make a mummy, write hieroglyphics, put on an ancient play and study the world's first warriors.

LEGO® ROBOTICS / JULY 14-18 (AM & PM)

The biggest class last year. This LEGO® Mindstorm® lets you design and build a "sumo robot" to compete in a battle of the bots held at the end of the week. Sign up now!

AM Beginning Builders PM Robot Masters
LEGO and Mindstorm are registered trademarks of the LEGO Group.

MATH LAB FOR 7TH & 8TH GRADES JULY 14-18 (AM & PM)

Enrichment, advancement and everything else it takes to add to your math skills set.

9 am - noon: review 1-4 pm: enrichment

new!

THEATER WORKSHOP (ENTERING GRADES 9-12) / JUNE 16-27 (AM)

Learn the basics of preparing for a role and find out how movement can help develop characterizations. Games, improvisation, and movement exercises will all be tools in this intensive workshop. Participants will prepare a performance to showcase their new skills.

STUDY SKILLS LAB (ENTERING GRADES 7-12) AUGUST 18-22 (AM)

Learn more about learning and the things you can do to advance your academic success.

MARSHALL SPORTS CAMPS FOR GRADES 4-8!

HALF-DAY: 1 - 4PM

COST: \$95 includes ball

You'll not only get in the game, you'll learn the moves and motivation that will make you great in the game. It's the facts, the fundamentals and, most importantly, the fun of playing.

VOLLEYBALL JUNE 16-20
BOYS'/GIRLS' BASKETBALL ... JUNE 23-27
BOYS'/GIRLS' SOCCER..... JULY 7-11
LACROSSE.....JULY 14-18

MUSIC CLASSES FOR GRADES 5-12!

FOUR HALF-HOUR LESSONS.
DATES/TIMES ARRANGED AT
THE STUDENT'S CONVENIENCE.

COST: \$60

VOICE LESSONS

One-on-one instruction for individual improvement.

BAND LESSONS

If you're a beginner or just want to get better, these lessons will improve your instrumentation. Beginners get a chance to try every instrument to find the right one!

STRING LESSONS

Recommended for all beginning violin, viola, cello and bass students. Also open to students who already know how to play but would like to improve.

EXTENDED-DAY OPTIONS FOR BUSY MOMS AND DADS.

Mom & Dad: Need to be at work before 9:00?

Can't pick up your child when camp ends? Extended day programming is available before and after Topper Camps, Sports Camps and Enrichment Classes. The morning session is from 7:30 to 9:00 am and the afternoon session is from 3:30 to 5:00 pm. Kids who sign up for two classes on the same day have a supervised lunch break.

Register for camps or classes by filling out the attached form and ask your mom or dad to fill out a check. More forms and information can be found on our web site.

POLICIES AND TERMS OF MARSHALL SCHOOL 2008 SUMMER PROGRAMS

Registration Details. To register for summer programs, send a completed application form along with a \$50 non-refundable deposit. Check or money order should be made payable to Marshall School.

- The \$50 deposit is applied toward tuition, and the balance of summer programs fees will be due one week prior to the course date.
- Classes and lessons are filled on a first-come, first-served basis. Students should register for programs based on their grade for the next school year.
- Registration forms and deposits and/or fees should be received one week prior to the start of camp.
- Parents will receive confirmation of completed registrations by mail. At this time we will also send an emergency form and field trip slip, if applicable, to be completed and returned by the first day of camp; no child will be allowed to participate in programming without the emergency form on file, and no child will be allowed to attend field trips without a signed permission slip.

Cancellations. There will be no refunds if a student withdraws from our programs while they are in session, except in the case of extended illness. If your plans change and you need to cancel your registration before programming begins, all but your \$50 deposit will be refunded. If, due to lack of enrollment we have to cancel a class, your full tuition will be refunded. You will be notified in the case of such an event.

Extended Day. Programming will be provided from 7:30 - 9:00 am and again from 3:30 - 5:00 pm every day that programs are in session. The extended day program is centered in the library and provides a variety of self-directed activities for campers to begin or end the day. The cost is \$15 per time slot per week.

All campers spending the entire day need to provide their own lunch.

Marshall School reserves the right to use pictures of your child involved in camp activities in Marshall Summer Programs for Marshall School Publications, unless you let us know otherwise.
